

# HOW THE US, EU & UN ARE FUNDING THE TALIBAN AND AL-QAEDA (...AND WITH THAT THE UPCOMING ATTACK ON THE UNITED STATES & EUROPE)

\$7 billion, the money that belonged to the Afghan people (Afghan Bank reserves)

\$3,5 billion was taken by the Biden administration 'for the victims of 9/11'.  
 (Note: none of them ever received \$1,-)

\$3,5 billion was taken to a Swiss bank-account, managed by US GOV, a Swiss Official and two Taliban-friendly Afghan's. The Taliban is able to pay Gov-officials and State debts from this money (for electricity from Uzbekistan for example)

TALIBAN ADMINISTRATION

\$40 million every week arrives by plane for 'Aid' (From: US, EU & UN)

\$28 million (70%) every week is used for the Taliban Administration, mostly Military & Security costs like the Taliban 'Army', the GDI and 'police' expenses. All this money is used AGAINST the people of Afghanistan

\$12 million (30%) every week is used for 'NGO's' run by the Taliban. All 'aid' goes to Taliban families. From this money the families of Taliban martyrs are paid. So the West is now paying for every Taliban who was killed in the past 20 years while attacking Western soldiers...

Up to \$47 million every week arrives by plane 'to fight ISK'
